

Asia Insurance Industry Awards 2025 finalists revealed

The finalists for the 29th Asia Insurance Industry Awards have been revealed, with 50 of the region's top insurers, reinsurers, brokers, risk managers and service providers making the shortlist. The awards are well known for their stringent criteria and transparent selection process, overseen by a panel of expert judges from across the insurance industry. This year, the awards attracted almost 200 entries in 17 categories.

For the first round of remote selection, judges went through the entries based on a 1,200-word write-up to arrive at a shortlist of entries. The final round of judging will be held on 29 August 2025, where judges will discuss each of the entries in detail before selecting the winners through a secret ballot. The entire judging process is being scrutinized by KPMG.

The winners will be feted at the awards gala dinner on 3 November 2025 in conjunction with the 21st SIRC at the Marina Bay Sands Expo & Convention Centre, in Singapore.
